EDITORIAL AND SCHOOL NEWS.

Alas, how are the mighty fallen! From twenty-four to four pages is a sad drop; but by the restrictions on the use of paper we are compelled drastically to reduce the size of the "Guisborian." Next year, however, it is proposed to merge all three terminal magazines into one of normal size, to be issued at the end of the Christmas term.

Comparable with this severe shortage of paper there is a lamentable lack of School news. We have been carrying on the work begun last term, with of course certain modifications for the time of year, but there is little of interest to report.

On May 14th the School attended the annual Ascension Day Service in the Parish Church. The address was given by the Rev. Percival Hedley, Vicar of St. Paul's, Thornaby-on-Tees.

[* not out.]

Comments : This season has not been particularly successful for the 1st XI, though the 2nd XI has met with more success than usual. However, although starting the season badly, the 1st XI improved as the term progressed, beating both Coatham and Acklam, who had previously beaten them, and drawing with Darlington, although had this game been played to a finish they would undoubtedly have won.

Our Junior XI (under 15) again found Coatham Colts too good for them, although they put up a plucky show and did well to score as many as they did.

Cricket colours have been awarded this season to Carpenter for his consistent all-round performance. G.B.

SCOUT TROOP.

The chief feature of this term has been the number of week-end camps held at Ayton. Apart from a small camp at Whitsun these have been limited to individual patrols, and much experience has thereby been gained by the younger members of the Troop. This outdoor activity has somewhat hindered the badge work which was progressing so well last term.

In May the Troop attended a Rally held at Skelton Castle. P.L. Airey, Second Reed, Second Hanson were admitted to the Second Fir Ridge Troop, the certificates being presented by General Sir John Shea, County Commissioner for London, deputising for the Chief Scout.

1501 (G.G.S.) FLIGHT, A.T.C.

This term has been a very busy one for members of the A.T.C. One of the first parades was a visit to Thornaby Aerodrome, when 10 selected cadets were allowed to fly in Service aircraft: nevertheless several of the "lucky" cadets expressed a preference for trains. We hope that the remainder of the Flight will "go aloft" during our next visit, which we hope will be the Summer Camp in August.

As a result of last term's examination, 8 cadets gained their Proficiency Certificate and their rank was automatically raised to that of Leading Cadets. Dr. W. W. Stainthorpe very kindly presented the certificates and stars. The superior manner of this select little clique has been so pronounced that another Proficiency Exam. was taken in mid-term. We are now glad to announce that eight of these cadets have passed, and due to a lowering of the standard required, two cadets gained the certificate retrospectively.

Another day to be remembered was the 19th June, when Air Commodore Sydney Smith, Commandant of the North-Eastern Region, visited the flight at work and congratulated the cadets on their keenness and efficiency.

Corporal Hudson left the flight last term to join the R.A.F. and we have no doubt that his A.T.C. training will prove very useful in his present work. In his place Leading Cadet Tate has been promoted to the rank of Corporal.
